

CV of Giovanni Battista Chirico

FULL PROFESSOR OF AGRICULTURAL HYDRAULICS AND HYDRAULIC-FOREST SYSTEMS FOR WATERSHED RESTORATION

Current Affiliation

Department of Agricultural Sciences
Division for Agricultural, Forest and Biosystems Engineering
University of Napoli Federico II

Condensed academic career

- 2022** – Full Professor at the University of Naples Federico II
- 2015 – 2022** Associate Professor at the University of Naples Federico II
- 2003 – 2015** Assistant Professor at the University of Naples Federico II
- 2002 – 2002** Post-doc at the Hydraulic Institute of Vienna University of Technology - Austria
- 2000 – 2002** Research Fellow at The Department of Civil and Environmental Engineering of The University of Melbourne Australia

Education

- Ph.D. 2002 University of Naples Federico II, Hydraulic Engineering
- M.Sc. 1996 University of Salerno, Civil Engineering, with a major in Hydraulics

Awards and academic recognitions for research activities

- 2019 – Scientific habilitation as full professor for Agricultural Hydraulics
- 2016 – Certificate of Outstanding Contribution in Reviewing - Journal of Hydrology
- 2016 – Best Poster Award by the Italian Hydrological Society
- 2015 – Award “Innovation for sustainable agro-food systems” Milano Expo 2015
- 2014 – Scientific habilitation as full professor for Agricultural Hydraulics
- 2014 – Scientific habilitation as associate professor for Agricultural Hydraulics
- 2013 – Scientific habilitation as associate professor for Hydraulic Engineering
- 2000 – Outstanding Paper Award - Hydrology Section 2000 Fall Meeting, EOS Trans. AGU, Volume 82, No. 15, pag.176-177, April 10 2001

Main research achievements

- Forecasting system of crop water requirement based on the integration of satellite images and numerical weather forecast
- Data assimilation techniques for soil hydrological predictions
- A hydrological distributed model for catchment hydrology
- Alert system for hydrological risk prevention in Campania Region

Main projects

- ERC LIFE www.life.polimi.it/the-team
- PIRAM PSR 2007-2013 Regional Rural development funds
- SUPER EU FP7 Program Super-fp7.eu
- REWARD EU FP7 Program

International research collaborations

Günter Blöschl – Hydraulic Institute of Vienna University of Technology
Andrew Western – Department of Civil and Environmental Engineering of the University of Melbourne
Hanoi Medina – Agrarian University of La Habana (now Auburn University)

Professional activities as expert

Expert Reviewer of ERANETMED project funded for the European Commission
Expert Reviewer of PRIN project funded by the Italian Ministry for University and Research
Expert Reviewer of PRIMA project funded by the European Commission
Expert Reviewer for the Romanian Executive Agency for Higher Education and Research
Member of the Technical Program Committee of the 2019 IEEE Workshop of Metrology for Agriculture and Forestry
Editorial Board Member of Remote Sensing
Guest Editor of Geosciences (MPDI Journal)
Guest Editor of Sensors (MPDI Journal)

Teaching accomplishments and research supervision

Appointed as professor at University of Naples Federico II for the following courses:
watershed restoration; agricultural and forest hydrology; precision irrigation systems and sensing technology
Supervisors of several PhD and Master Students

Publication records

Orcid <http://orcid.org/0000-0002-9536-4741>
