

Curriculum Vitae	
November 2023	
Personal information	
First name(s) / Surname(s)	Alessandra Bordoni
Address(es)	Department of Agri-Food Sciences and Technologies (DISTAL) – University
Telephone(s)	Mobile:
E-mail	
Nationality	
Gender	
Occupation or position held	Full Professor in Biochemistry, Department of Agri-Food Sciences and Technologies, University of Bologna (IT)
Work experience	<p>November 02, 2023 – present. Full Professor, University of Bologna (IT)</p> <p>October 15, 2015 – November 01, 2023. Associate Professor, University of Bologna (IT)</p> <p>2004- 2016. Researcher, University of Bologna (IT)</p> <p>2001-2003. Contract Professor of “Nutrition” at the University of Bologna (IT)</p> <p>1999-2001. Contract Professor of “Biochemical Methodologies” at the University of Ferrara</p> <p>1993-1998. Post-doc at the Department of Biochemistry, University of Bologna (IT)</p> <p>1989-1993. PhD student in Biochemistry at the University of Bologna (IT)</p> <p>1986-1989. PhD student in “Human Nutrition” at the University of Bologna in the years 1986-1989.</p>
Main activities and responsibilities	<p>Coordinator of the laboratories of Human Nutrition at the Food Science Campus (Cesena, University of Bologna).</p> <p>Member of the Academic Senate of the University of Bologna (2021-present)</p> <p>General Secretary of the Federation of Italian Societies of Nutrition - FeSIN (2021-present)</p> <p>She is teaching biochemistry and human nutrition in the degree courses of Food Technology at the University of Bologna.</p>
Name and address of employer	University of Bologna, via Zamboni 33- 40126 Bologna (IT)
Education and training	<p>1993. PhD in Biochemistry (University of Bologna, Italy)</p> <p>1986. Residency in Nutrition Science and Dietetic (University of Padova, Italy)</p> <p>1983. Degree in Medicine and Surgery (University of Bologna, Italy)</p>
Mother tongue(s)	
Other language(s)	

<p>Organisational skills and competences</p>	<p>Prof. Bordoni is the coordinator of the Human Nutrition Unit at DISTAL, University of Bologna (Italy).</p> <p>2021 – present. Member of the Academic Senate of the University of Bologna.</p> <p>2021 – present. General Secretary of the Federation of Italian Societies of Nutrition – FeSIN</p> <p>2016 – 2019. Treasurer of the Italian Society of Human Nutrition (SINU).</p> <p>2004-2009 and 2014-2016. Member of the board of the Italian Society of Human Nutrition (SINU).</p> <p>She is member of the Commission of the Italian Society of Human Nutrition that set the updated version of Italian RDA (as coordinator of the “Lipids” group)</p> <p>Prof. Bordoni participated to the 6th FP EU project “Innovative non-thermal processing technologies to improve the quality and safety of ready-to-eat (RTE) meals –HIGHQRTE”, and to the 7th FP EU projects “Sustainable exploitation of bioactive components from the Black Sea Area traditional foods – BaSeFood” and “New advances in the integrated management of food processing waste in India and Europe: use of sustainable technologies for the Exploitation of by-products into new foods and feeds - NAMASTE”</p> <p>She was co-coordinator of the 7th FP EU project “Low cost technologies and traditional ingredients for the production of affordable, nutritionally correct foods improving health in population groups at risk of poverty - CHANCE”</p> <p>She was general coordinator of the recently funded 7th FP EU project “Pivotal assessment of the effects of bioactives on Health and Wellbeing. From human genoma to food industry – PATHWAY-27”.</p> <p>At present, she is participating at the H2020 EU projects “Future growth in sustainable, resilient and climate friendly organic and conventional European aquaculture – FutureEUAqua” and “New Technologies, Tools and Strategies for a Sustainable, Resilient and Innovative European Aquaculture – NewTechAqua”</p> <p>Prof. Bordoni is Editor in Chief of the journal “Food and Nutrition Sciences”. She is member of the Editorial Board of the international journals “Nutrition, metabolism and Cardiovascular diseases” (till 2014), “Food Research International”, “Nutrients” and “Frontiers in Nutrition”.</p> <p>She is acting as reviewers for many different scientific journals.</p> <p>She has been nominated evaluator of proposals for granted projects by the Italian MIUR, the Norwegian Research Council, the French Research Agency (Agence Nationale de la Recherche) and by the EC.</p>
<p>Awards</p>	<p>2019. PHD <i>honoris causa</i> in Human Nutrition (INRAE, Agrocampus Ouest, Rennes – France)</p>
<p>Technical skills and competences</p>	<p>Prof. Bordoni performed researches regarding several topics of nutrition and nutritional biochemistry. In these fields, special attention was devoted to polyunsaturated fatty acids; bioactive components of food; oxidative damage and inflammation and their prevention by supplementation with bioactives derived from food; nutrigenomics; in vitro digestion; dietary prevention of chronic diseases.</p> <p>She has organised several national and international meetings.</p> <p>Invited speaker in many national and international conferences.</p> <p>She published about 190 full papers and book chapters in national and international journals on the above-mentioned topics.</p> <p>H-index (Scopus): 37</p> <p>Total citations (Scopus): 4644</p>
